### SIZING GUIDE - RINGS

1. Before you print this PDF file, please make sure that "No" is selected when printing in the "Page Scaling" option.
2. Check the accuracy of the printed page scale: using a ruler, attach it to the scale, which is indicated on the right, it should correspond to 20 mm on the ruler.
3. Determination of ring size:

- A. Take your ring, the size of which you want to check.
- B. Attach the ring to the various circles shown. Inside the circle, which exactly coincides with the diameter of your ring, the size will be indicated.
- C. If the ring is between two sizes, always choose the larger one.

This document is an instruction to determine the size of the ring.
